

JOB AID: Zoom Mobile App

Getting Started

1. Go to your app store (Apple or Google Play) and then download/install **Zoom Cloud Meetings**
2. On your mobile device, launch **Zoom Cloud Meetings**

Note: If you are an Eliot employee scheduling meetings, contact IT to use a subscription. If you're a client attending a meeting, you do not need to sign in to Zoom.

Ways to Join a Meeting

If you've been invited to a meeting, the ID and phone number are provided in the email.

A Click the **link** in your email invitation or dial-in (number and ID are on the email invitation)

B Open the app
Click **Join a Meeting**
Enter the ID from the invitation

C Open the app and sign in
Click **Join**
Enter the ID
